RECENT INFORMATION ON ENTERED SHIPS

Note by the Secretariat

1 **Introduction**

- 1.1 Due to an oversight, some wording was omitted from the last line of paragraph 4.1 of document [IOPC/OCT17/4/5](#) in error.
- 1.2 Paragraph 4.1 should read as follows:

4.1 The Secretariat has recently learned that some Japanese insurers who are not members of the International Group voluntarily provide insurance cover equivalent to STOPIA 2006. Therefore, in the case of an incident involving a tanker falling under the STOPIA 2006 definition, those insurers will reimburse the 1992 Fund up to the equivalent amount under STOPIA 2006, taking into account the maximum amount available under the applicable insurance policy.
