- 3.2 Registered delegates are requested to ensure that the following email address is added to their address book or allowed by their mailbox spam filters so notifications, including confirmation of registration, meeting documents and links to the streaming service, if requested, are not missed: no-reply@iopcfunds.org.
- 3.3 Delegates are requested to arrive early on the first day of the meeting to allow time to confirm registration, with registration services provided from 8.00 am. Delegates who do not register online in advance will need to do so on arrival, in addition to providing evidence of their authorisation to

attend the meeting. During peak time on Tuesday morning, delegates who have not registered in advance may be required to wait for an online device to become available at the registration desk.

3.4 With reference to security procedures at IMO, all delegates are required to carry a specially issued pass to gain access to IMO. Delegates who have previously been issued with a security pass to attend meetings at IMO are requested to bring this pass with them. No representative will be admitted without evidence of their authorisation to attend the meeting.

3.5 Delegates requiring visas to enter the United Kingdom are advised to submit their visa application to their nearest Visa Application Centre well in advance of the meeting as the time taken by the Home Office to process visas can vary from one country to another. In many countries, visa applications can be submitted online. Delegates representing Member States of the IOPC Funds are entitled to an 'exempt status visa' and should apply using the form referenced 'VAFDIP2 DEC 2008' which is available on the UK Border Agency website (www.ukba.homeoffice.gov.uk). Please note that for the purposes of this application and any supporting note verbale, the IOPC Funds should be referred to as the 'International Oil Pollution Compensation Fund (IOPCF)'.
