## **1992 Fund third intersessional Working Group**

### **List of email addresses**

At the 8th meeting of the third intersessional Working Group held in May 2004, the Secretariat was requested to compile a list of email addresses in order to facilitate consultations between delegates as to what form any revision of the 1992 Civil Liability and 1992 Fund Conventions might take.

If any delegate would like to be included in this list of email addresses please inform Victoria Turner, Conference Administrator ([victoria\\_turner@iopcfund.org](mailto:victoria_turner@iopcfund.org)). The list of email addresses, which will be updated regularly, will then be circulated to delegates from time to time, as appropriate, but will not be made available via the website.
