GRANT OF OBSERVER STATUS

Note by the Director

1. The Comité Maritime International (CMI) has, by letter of 29 January 1980, applied for Observer Status with the Fund.
 2. The CMI consists of 33 National Maritime Law Associations. Its object is to contribute by all appropriate means and activities to the unification of maritime and commercial law, maritime customs, usages and practices. It achieves this aim by discussing private maritime law questions in sub-committees, working groups and international conferences held at least once every four years. The CMI co-operates closely with IMCO.
 3. The Assembly is invited to take a decision on this further application for Observer Status.
