LEGAL ACTION TAKEN IN RESPECT OF THE AMAZZONE INCIDENT

Note by the Director

1 In document FUND/EXC.26/3, reference is made to the Butterworth system of deck openings. The attached photographs show examples of Butterworth deck covers and the three camlocks used for tightening the covers. The photographs are not of the AMAZZONE itself, but of another vessel.

2 It is hoped that these photographs will facilitate the Executive Committee's understanding of some of the technical aspects of this case.
