3 **Applicability of the 1992 Conventions to offshore craft**

In accordance with the decision of the Assembly at its 3rd session, the Working Group shall study whether, and if so, to what extent the 1992 Civil Liability Convention and the 1992 Fund Convention apply to offshore craft (floating storage units (FSUs) and floating production storage and offloading units (FPSOs)).

4 **Definition of 'ship' in the 1992 Conventions**

In connection with the Executive Committee's consideration of the *Santa Anna* incident at its 1st session, the question arose as to the circumstances in which an unladen tanker would fall within the definition of 'ship' laid down in the 1992 Civil Liability Convention and the 1992 Fund Convention. 5 **Adoption of the Report to the Assembly**

The Working Group will be invited to consider the procedure for preparing its report to the Assembly.
