ASSEMBLY - 1st session  
Agenda item 19

DATE OF NEXT SESSION

Note by the Secretary-General of IMCO

1. The Assembly may wish to note that by decision of the Council and the Assembly of IMCO one week of meeting-time has been set aside in the Organization's budget for 1979. It will therefore be possible for IMCO to host a session of the Fund Assembly in 1979, if the Assembly were to determine that it wishes this to be done.
  2. In the light of decisions of the Assembly in this matter, the Secretary-General will submit during the first session of the Assembly suggestions as to possible meeting dates.
